

Preserve Jewish Culture for Today and Tomorrow

"The **Jewish Community Foundation of Orange County** enables people to support their chosen interests by setting up and administering personalized, charitable accounts **benefiting hundreds** of inspiring causes in our local communities and in our Jewish communities worldwide.

The Community Foundation allows people of all ages to establish a fund of nearly any size. Donors feel confident that their **generous** giving will have a real impact on others in need.

I am **proud** to be a committed Board member and owner of a Donor Advised Fund, which lets you receive the tax deduction as soon as you contribute funds into the account. You can then choose when and where the funds are distributed. You can send funds to any 501(c)(3) organization.

My grandfather served on this Board two decades ago. My grandparents invested in

a Jewish tomorrow, and I will continue to insure that generation after generation will benefit from past generosity and continue to build towards an even **stronger Jewish life**. I am not only setting an example for my children but an expectation."
